The Editor's 1936 Chrysler Airflow Custom Imperial posing on Shelter Island

Saturday April 25, pro-photographer (and nephew) Andy Boyd (<http://videolandca.com/>) met me to take some photos of this recently completed restoration. The forecast was for coastal fog and clouds, but it was wrong. While I waited for Andy to arrive, I shot this one with an iPhone. What a beautiful morning! There are still a couple things to do on this car – as is well known, you are never really done. Change the fuel-level sensor, center the steering wheel, check the right-side headlight bulb and wiring. Meanwhile, we are working on break-in miles.

Member car photos are solicited, welcome, encouraged – all of that! Please email photos of your antique automobile, preferably not in the garage. *Editor*

From our President

Dear San Diego Region AACA Members,

May is fast approaching with the summer months ahead. Mark and Diane Richards have planned the first road trip of the year to Wynola (near Julian). They have planned a wonderful day of driving and sightseeing. May 14th: the Apple Pie run, see page 8 of this issue for details.

Ladies can also look forward to the Ladies Luncheon, at Peohe's bayside restaurant in Coronado on May 18th. That's on page 7 – please sign up today!

Of course our monthly meeting Monday night May 2nd, which I will actually be on time for, or not miss entirely this time. Oops, sorry folks!

Our breakfast at Denny's was a lot of fun, and several folks brought their old cars. In May we will be back at the Shelter Island Bay Club, and if you bring your old car, you can park in the top lot to the right side for all to see and enjoy.

If you are out doing things with your antique cars, take pictures and send them to me or John Boyd for a spot in the Foot Warmer! This club and its members want to see what you are up to and, especially, your activities with the old cars!!

Until I see you again, happy motoring!

Tom McIlravy, President AACA San Diego Region

Watch your **email** for details and the registration form. They will be sent in the next few days.

April 16 Hillcrest Car Show

Another beautiful day in Hillcrest for the Great Autos Car Show, third Saturday of each month. Laid back, casual car show. Time to visit, time to inspect, time to get lunch. You should come next month!

San Diego cars arrived early and got the best places.

Bob Gunthorp's 1 of hardly any '62 Mercedes 250 wagons

Paula Okey's well-known '57 Buick

John Boyd's '36 Chrysler Custom Imperial Airflow

April 4 General Meeting

Mark Richards emceed the Region general meeting and introduced Alan Krahenbuhl of So-Cal Jax Wax. Alan discussed proper paint care for older and new paint. Among his recommendations (besides Jax Wax products of course) were to use microfiber towels and mitts only, and to avoid grinding dirt from polishing cloths and wheels into your car's paint. Use random orbital polishing machines to avoid swirl marks caused by old-style high-speed polishers. Sheila Jurist won the Jax Wax door prize! Sam Judd collected \$20 for the name badge drawing.

Susan Woods and Barbara Foley laid out a magnificent banquet that we were, sadly, unable to finish. Thanks to all for their work!

Don't miss the next meeting at the Joyce Beers Center, across from Trader Joe's and Ralph's, next to Aladdin Restaurant, at 3900 Vernon St. in Hillcrest. Set up chairs and chat with your friends at 6:30, program at 7:00, followed by short business meeting.

April 23: Region 4th Saturday Breakfast

The San Diego Region monthly 4th Saturday Breakfast tried the Fletcher Hills Denny's for breakfast this past month. Service was good, prices were Denny's, food was fine. Best was the private room. John Boyd was very late, but made it to the parking lot just as the breakfast was ended. The next edition of our 4th Saturday breakfasts is a planned return to the Shelter Island Bay Club at 9:30 am on Saturday, May 28. Try the Eggs Benedict or maybe the Cheesy Denver Skillet?

Apple Pie Run to Wynola May 14, 2022

By Mark Richards Tour Leader

Join us for a leisurely Saturday drive to the mountain orchard country outside of Julian, a lunch together with the group and a chance to explore the hidden gem town of Wynola.

We will start out together at 9:00 AM in East Alpine at the shopping center on Alpine Blvd, proceeding up Olde Hwy 80 through Viejas, Descanso, Guatay and Pine Valley, then on to the Sunrise Hwy to Mount Laguna and some spectacular vistas. We'll drive at a pace appropriate for our club vehicles, with stops along the way for breaks and to stretch our legs. The road takes us past Lake Cuyamaca then on to Julian for our own parade through the downtown. Main Street turns into Farmer Road which leads to Wynola Rd, taking us to Heroes Woodfired Pizza for lunch. The total distance to Wynola from Alpine is about 55 miles.

After lunch we'll head up the road a bit to Mom's Pies for some of the best apple pie in the world and some beautiful gardens where we can enjoy our dessert. There will be time to see and do some of the interesting and fun things in Wynola. Across the road from Mom's is The Barn Vintage Marketplace, an automotive themed curio and antique shop. Pan for gold and gemstones at the Julian Mining Company, or try a cider tasting flight at Julian Hard Cider Company. There's a little something for everyone in Wynola. We'll regroup in the afternoon for the drive back to Alpine. I hope that everyone has a great day and has an enjoyable drive.

Our tour leader, Mark Richards, would like to get an idea of the number of people and cars that will be participating in this tour. Please let him know if you will be coming by calling or texting at 619 672 3201 or emailing Richards.markr@yahoo.com.

See the club website for more information on this tour, including maps, places of interest and driving details. <http://sandiegoregion.aaca.com>
